

BLUEPEAK CHANNEL PARTNER PROGRAM

Tailored solutions for your client. Multiple opportunities for you.

Join us as we transform the digital landscape for businesses—become a crucial channel partner with Bluepeak Fiber Internet. Our program is crafted to assist you in seamlessly providing a unified solution that integrates internet, TV, and voice services for your clients.

Partnering with Bluepeak is a breeze—simply bring us a customer, and watch your rewards grow. Whether you choose a referral, affinity, or agency partnership, rest assured that we will handle your referrals professionally, tailoring solutions to meet their business needs. When you team up with Bluepeak, trust our expert representatives to offer exceptional service to your clients.

Delivering digital experiences that are not only transformative to your customers' business, but also scalable, reliable, and budget-friendly.

Partner with Bluepeak today and unlock new opportunities for both your customers and your own business.

Benefits of Partnering with Bluepeak

Referrals

Unlock new revenue streams by expanding your services with Bluepeak's comprehensive solutions.

Marketing and Sales Support

Access a range of resources to bolster your marketing and sales efforts, simplifying the promotion of Bluepeak's services to your clients.

Training

Develop technical expertise and selling skills through our training sessions, empowering you to confidently present and provide Bluepeak's services.

Customer Support

Rely on our dedicated customer support to address any issues your clients may encounter, ensuring a smooth experience from the get-go.

Dedicated Assigned Representative

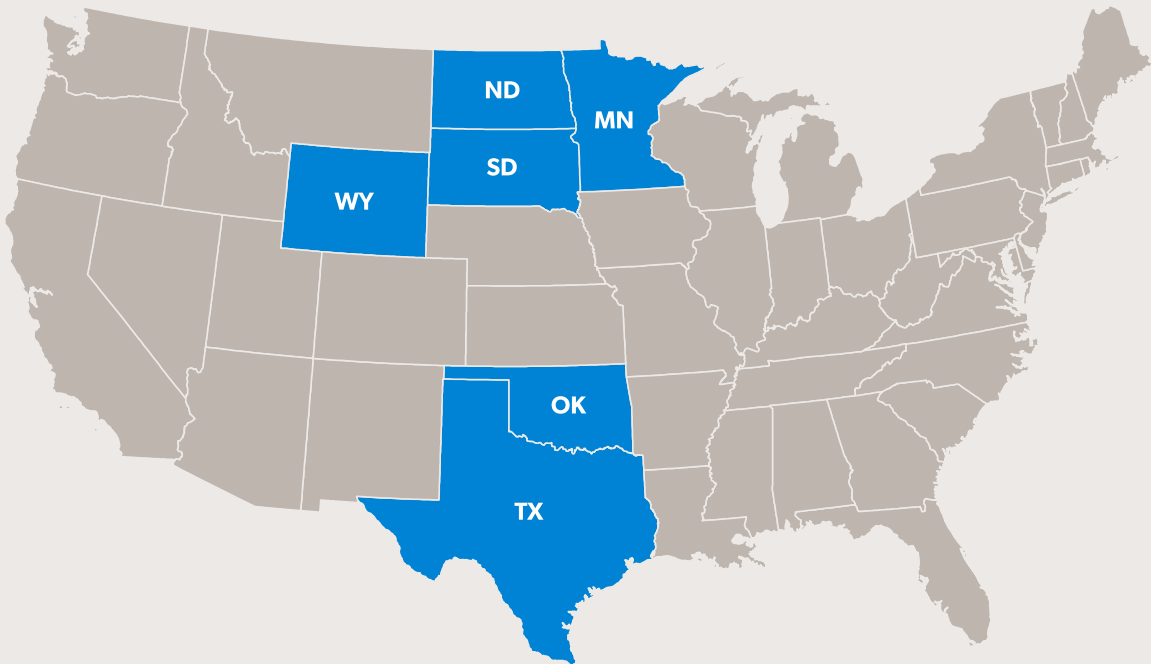

Connect with a specific point of contact at Bluepeak, guiding you through the partnership and ensuring your needs are met every step of the way.

We're here to support you.

You're the expert in selling your services, products, and technical support. Let us be the experts in selling products and services to compliment your offerings! Our team is here to help in any way possible, to explain the technical side of the offering, help manage customer expectations, or offer 24/7 technical and billing support.

You get a dedicated channel partner to assist you along the way - make the most of this resource!
