(LARAMIE, Wyo.) – May 24, 2022 – [Bluepeak](#), an innovative internet provider, broke ground Tuesday on an approximately \$13 million fiber-to-the-home network expansion that will bring high-quality, high-speed broadband and video services to nearly 13,000 residences and businesses in Laramie. Representatives from the local community joined members of the Bluepeak team for the ceremony. With construction underway, Bluepeak will begin delivering service to customers later this year. ### About Bluepeak

Bluepeak is building a faster, more reliable internet without the things that get in the way of great service—like red tape, hidden fees, and slow response times. Offering up to 5 gigabits of speed for residential customers and 10 gigabits for businesses, Bluepeak is a whole new ballgame — from internet to TV, to connecting every device in a home, to powering a business, Bluepeak not only provides the best fiber connections in the communities it serves, but also meets the growing needs for how its customers live.
