

## A FASTER, MORE RELIABLE INTERNET IS COMING TO SHERIDAN

### Bluepeak to Break Ground on State-of-the-Art Fiber Network Next Year

(Sheridan, Wyo.) August 31, 2021 — Bluepeak, a revolutionary internet provider, announced today that it is coming to Sheridan and will break ground during the first half of next year on a high-speed fiber network to meet the growing needs of the community's residents and businesses, today and in the future.

“We are thrilled to be partnering with the city of Sheridan to build a future-proof fiber-optic network,” said Rich Fish, CEO of Bluepeak. “Bluepeak is a different kind of provider with faster, more reliable speeds that will better connect homes, businesses and organizations across Sheridan.”

With Bluepeak's advanced fiber connection, residential customers can get up to 5 gigabits of speed and businesses can get up to 10 gigabits of speed. The next-gen broadband network will provide faster speeds, better connectivity and the bandwidth to connect more devices for internet, streaming, gaming and more.

“We are very excited to welcome Bluepeak (Clarity Telecom) to our city,” said Sheridan Mayor Richard Bridger. “Bluepeak will offer high-speed internet options through their fiber optic network. In addition, Bluepeak will bring new job opportunities to our community.”

#### About Bluepeak

Bluepeak is building a faster, more reliable internet without the things that get in the way of great service—like red tape, hidden fees, and slow response times. Offering up to 5 gigabits of speed for residential customers and 10 gigabits for businesses, Bluepeak is a whole new ballgame — from internet to TV, to connecting every device in a home, to powering a business, Bluepeak not only provides the best fiber connections in the communities it serves, but also meets the growing needs for how its customers live.

Bluepeak (Clarity Telecom LLC) is known as Vast Broadband today in South Dakota and portions of western Minnesota until those markets rebrand as Bluepeak in the summer of 2022. Visit [www.meetbluepeak.com](https://www.meetbluepeak.com) to learn more.
